

Employment Opportunity

Job Title: Product Installer – Upfitting Department

About Precision: Precision Installations, Inc. is seeking a Product Installer to join our growing team. Our company installs various products in a wide variety of vehicles. These installations include 2-way radios and intercom systems for a very large fire truck manufacturer, as well as surrounding area Fire Departments and Police Agencies; lighting, audio, utility boxes and much more in commercial vans and trucks; and many other various services that meet our clients desired specifications.

Position Details: This position will work within our upfitting department. Product installers execute Installations on utility vehicles – vans, trucks, municipal/emergency vehicles, and specializing in police car changeovers. These installs include (but are not limited to): ladder racks, lights, sirens, audio products, utility boxes/equipment, fabricating custom parts, electrical installation, and so much more!

Requirements:

- Self-starter, who takes pride in performing quality workmanship
- Ability to meet and follow timelines provided by Manager
- Ability to work as a team and individually, with minimal supervision
- Strong communication and customer service skills
- Minimum High School Diploma
- Experience working with tools is strongly preferred
- Must possess acceptable driving history

Precision Perks:

- First Shift, full-time
- Full benefits (medical, dental, vision, long-term/short-term/life insurance)
- 401k matching
- Paid vacation & sick time
- 72 hours of paid holiday time per calendar year
- 1-hour, paid break
- On-the-job, paid training
- Summer Hours
- Tools provided

New employees are subject to a 60 day probationary period (amount of vacation for first year based on date of probationary period conclusion).

Precision Installations is rapidly growing, apply today for this great opportunity! Precision Installations is an equal opportunity employer. All employment is decided based on qualifications, merit and business need.
